My organization is not a member, what do I do now?

Is your organization interested in joining RISC-V? Please introduce us to your primary decision-maker with an email address and we'll take it from there.

Checklist

- Have you checked to see if your organization is a member?
- If your organization is not a member, have you asked your organization to join?
- Do you understand that as an individual member, you cannot leverage RISC-V branding, lead a work group or committee, or participate in Visibility benefits?

If you have done all these things, then click the button to join as an individual member.

Make sure you apply with an unaffiliated (non-work or company or university) email address!
